

NEWS RELEASE FOR IMMEDIATE RELEASE

Soderstrom Skin Institute Is Now Core Dermatology

SAME PROVIDERS. SAME STAFF. A NEW APPROACH TO PATIENT-CENTERED EXCELLENCE.

*4909 North Glen Park Place, Peoria, Illinois
Tuesday, March 19, 2024*

Soderstrom Skin Institute has announced a major rebrand to become Core Dermatology. This change encompasses a new approach to patient-centered excellence. Our outdoor signage and website have a new look and feel, as well as a complete update and renovation of our Peoria location. Rest assured, you can still see the same staff and providers you love.

With this change, we are excited to welcome our new CEO, Adam Rosengren and Medical Director, Joshua B. Kentosh, DO FAAD, who share a core purpose to provide patient-focused dermatological care.

At Core Dermatology, our mission is to empower healthier lives by delivering exceptional dermatological care. Through patient-centered excellence, innovative treatments, and a commitment to the highest ethical standards, we aim to enhance the well-being and confidence of every individual we serve.

About Core Dermatology

Core Dermatology offers comprehensive dermatology services in 8 locations across Illinois and Iowa. Our team of skilled dermatologists, plastic surgeons, advanced practice providers, and dedicated staff provide a holistic approach to patient care. Visit www.core-dermatology.com for more information on treatments, services, and careers.
